## Townsend Asks Border Be Closed to Juveniles

**SACRAMENTO** — Assemblyman L. (Larry) Townsend (D-Torrance) is the author of an Assembly resolution calling for hearings by Congress with the idea of closing the California-Mexican border to minors.

Townsend, in his resolution, AJR-5, points out that the use of narcotics by minors has become an "extremely serious problem in California." He said that considerable evidence indicates that large quantities of narcotics are brought into the state from Mexico by minors.

He said the U.S. government has jurisdiction over ports of entry to the U.S., and any closing of the border, to minors, requires a study by a congressional committee.

The assemblyman said the resolution asks Congress to conduct hearings to consider the closing of the border to minors, 18 years and younger, "unless accompanied by a parent of other responsible adult."

The assembly approved the proposal and sent it to the senate for concurrence.

## Homeowners Organize New Group

George McMullen, an administrator with the Los Angeles City Schools, has been elected president of the newly formed Southeast Torrance Homeowners Association.

The group, formed last month, is the result of a merger involving several smaller groups in the Southeast section of the city.

The Southeast Torrance Homeowners Association will represent homeowners in the area bounded by Sepulveda Boulevard on the north, Crenshaw Boulevard on the west, and the city boundaries on the south and east.

Meetings are to be held at the Adams Elementary School, 2121 W. 238th St.
